Objective:

My objective is to obtain an entry level position in a creative environment that will further my designing skills and push me to grow as a professional.

Experience:

February 2013
To
Present

Freelance Designer
RI & CT

Working in a range of different media, creating logo's, proofreading documents, strengthening photography skills and working in hand with Photoshop, Illustrator, SketchUp and AutoCAD.

June 2013
To
Present

Server
Midtown Oyster Bar, Newport, RI

Known as Newport's "newest classic restaurant." Serving fresh local seafood from Newport's largest raw bar. Midtown is a great environment to work and learn in. Responsible for creating an exquisite experience for guests making them want to return.

June 2010
To
February 2013

Visual Merchandiser
The Bowerbird, Old Lyme, CT

Responsible for designing and creating displays to make merchandise aesthetically pleasing. Communicates on a daily basis with owners and fellow managers. Works with SketchUp to create new floor plans for renovation of the store. Physical upkeep of the store including but not limited to: mechanical and electrical maintenance, trouble shooting computers, and light office work.

Education:

Mount Ida College, Newton, MA
B.S.. Interior Design

Bachelor of Science in Interior Design CIDA, NASAD, accredited program. Has completed courses in residential design, retail design, hospitality design, furniture design, institutional design, lighting design, renovation and reuse design and a thesis concentration in yacht interior design. Has strong creativity and will apply to any type of design. Strives to complete all work with high standards and level of detail.

Skills:

A quick learner who is great at organization and communication skills. Responsible and hard working individual who strives to use creativity to maximum potential. Computer skills include, AutoCAD 2005-2009; Google SketchUp; 3D Max Podium; Adobe Photoshop; Adobe InDesign; Adobe Illustrator; Autodesk Revit; Microsoft Office. My diverse and creative background gives me a unique simplistic approach when creating new work. To continue to grow as a designer, artist and photographer, keeping current with the latest trends and designs is important.
